Thank you for trusting Maulo & Company, Ltd. to be your CPA firm for many years. We believe that the relationship has been mutually beneficial.

However, as businesses evolve, sometimes there are difficult decisions that need to be made. This is one of those times. After careful consideration, we have decided that we will discontinue performing Audits of Financial Statements at the end of this year.

Starting January 1, 2020, Maulo & Company, Ltd. will no longer perform Audits.

We will continue to perform other accounting services as we have in the past, including Reviews, Compilations, Preparation of Financial Statements, QuickBooks® consulting, Bookkeeping, and Income Tax return Preparation and Planning.

Following is a list of the services that we have been performing for you:

- Audit of Annual Financial Statements
- DCED Annual Report of Municipal Authorities and Neighborhood Improvement Districts
- Preparation of Concise Newspaper Report

We strongly urge you to seek the services of another professional CPA as soon as possible. We have enjoyed working with you over the years and wish you every success in the future.

We do not keep any original records; therefore, you should have all the records in your possession necessary to change to a new professional. If you have any questions about the transition, please contact us. We will work with you to make the transition as seamless as possible.

Sincerely,

MAULO & COMPANY, LTD.
