Notice of Public Hearing to Consider the Re-Authorization and Five-Year Plan of the West Chester Business Improvement District Authority

Tuesday, October 20, 2020, at 6:30 p.m.
Virtual Meeting via WebEx (access link at: www.west-chester.com)

The Borough Council of West Chester, at the request of the West Chester Business Improvement District Board of Directors, will hold a public hearing via WebEx to consider action to extend the West Chester Business Improvement District (BID) for a period to end on December 31, 2025. In accordance with Pennsylvania state law governing special assessment districts and found in P.L. 949 No. 130, the Borough of West Chester is providing you with the enclosed preliminary/final plan for your review and comment.

The term of the current Business Improvement District was set for the period beginning January 1, 2015 and continuing through December 31, 2020, at which time it is due to sunset if no action is taken to extend it. During the past five years, the West Chester BID has provided programs, services and benefits described in a five-year plan created by the downtown community and approved by the BID. Enclosed you will find the updated **Downtown West Chester Five-Year Plan for 2021 through 2025** that has been developed by the West Chester BID Board of Directors for you to review. This plan will continue to direct downtown revitalization activities for the BID.

This new plan **does not** have a rate change from the previous BID. You may also see the complete and up-to-date plan at DowntownWestChester.com.

Public comments concerning this plan may be given at the public hearing.

I. Executive Summary

The development and presentation of this ongoing effort and the Five-Year Plan reflects a more strategic approach to fulfilling the West Chester Business Improvement District's mission as well as a stronger alignment with the National Main Street Center/Main Street America, and the Pennsylvania Downtown Center (PDC), the Pennsylvania Main Street Coordinator. These elements are believed to be essential in order to move the BID beyond its initial successes and move the organization and the initiative forward in a competitive and ever-changing market. West Chester has come a long way throughout the last twenty plus years, and also understands the complexities of remaining a relevant Pennsylvania business district, while evolving, thriving, and striving to be a 21st century leader in the region, throughout the state, and noticed at the national level.

This Plan was developed and enhanced in collaboration with PDC and the Goals and Objectives conform to the five PDC Enhanced Program Areas of 1) BID Authority Organizational Development/Sustainability, 2) Design and Appearance, 3) Economic Assets/Economic Vitality, 4) Marketing and Promotion, and 5) Safe, Clean & Green. Increasing conformity with the PDC Enhanced Program Areas approach to planning facilitates a positive PDC assessment of the BID and more favored consideration for Pennsylvania Department of Community and Economic Development (DCED) Keystone Communities Main Street Program designation and funding opportunities.

The West Chester BID had been a designated DCED KC Main Street program during the years of the last BID authorization, up until July 31, 2019. It would be the decision of the BID Board, in consultation with DCED regional staff and PDC staff, to pursue Main Street designation once again during this upcoming authorization period. Designation benefits include, but are not limited to organizational support, technical assistance, program review and assessment, and board and committee education and updates from DCED's service provider, the Pennsylvania Downtown Center (PDC).

In addition to the services mentioned above, designated programs receive priority consideration for DCED Keystone Communities funding applications. The BID currently has access to apply for the funding but would receive maximum priority consideration during their five-year designation period. The Keystone Communities Main Street program funding includes up to \$50,000/annually in Façade Improvement Grants; up to \$500,000 in a Public Improvement Grant; up to \$500,000 in Development Grants (nonprofit) or Loans (for profit); up to \$300,000 for an Accessible Housing Grant; and up to \$25,000 in a Planning Grant. During the designation period a program also has access to additional funding including up to \$50,000 in an Implementation Grant, as well as eligibility without being deemed a "distressed community" for the Neighborhood Assistance Program (NAP) Tax Credit traditional

programs, as well as the NAP Enterprise Zone (NAP-EZ) Tax Credit, up to 25%/\$500,000 tax credit for eligible projects.

It is the intention of the BID Board and staff to apply for local, county, state, and federal funding programs when applicable to leverage the BID assessment fees and existing budget to the greatest extent possible.

During the previous reauthorization, many fundamental BID organizational documents were revised to reflect the enhanced purpose of the BID. The mission statement had been expanded to identify the BID's stakeholders while the vision statement was made more succinct. A set of values were developed to further guide the BID in determining goals and objectives and validating strategies. No changes were made to these guiding documents during the current reauthorization process. The Plan continues to capture the internal growth and evolution of the organization, while maintaining its ability to be a leader and actively engaged partner for the continued success in the West Chester business district.

The current BID planning and reauthorization process began in January and February 2020 with the consultant, Pennsylvania Downtown Center, Inc., meeting with the BID Reauthorization Steering Committee and the Borough Manager. The process began with the intent to facilitate at least two focus groups representative of the BID to garner feedback on the previous successes and struggles, and recommendations for potential future endeavors of the BID. By the time COVID-19 hit in mid-March, the BID paused the planning process to focus on the immediate needs of the business district. By April, the planning and reauthorization process resumed, but by then the organization and the Borough were both meeting virtually. The information gathering tactics for the BID planning and reauthorization process were modified and a virtual focus group was held comprised of multiple business and property owners on April 30th with 8 representatives participating. Since that time over a dozen individuals were interviewed representing a cross-section of other BID stakeholder perspectives, including West Chester Borough staff, West Chester Borough elected officials, board and staff members of the BID as well as other local nonprofit organizations, additional property owners, additional business owners, and community members at large.

The tone of the focus group and multiple interviews was that although the BID has had years of success and a tremendous impact on the transformation of West Chester's business district and is an active participant and contributor to the initiatives within West Chester's business district, there is still much more work to be done. Recommendations and suggestions garnered from interviews and discussions have been incorporated into the proposed Five-Year plan for 2021-2025.

The work of downtown revitalization is never done – markets change, and trends change. Multiple

factors impact the reality that business districts face. The last few months have emphasized how fragile the success of locally owned, independent businesses is upon multiple conditions: those of economic, social, health and safety related issues. BIDs are designed to support the ever-changing needs of business districts, and now more than ever the West Chester business district needs the support and dedication of the West Chester Business Improvement District (BID).

The Plan maintains the assessment rate from the previous plan when the rate increased for the first time in ten years.

The Plan provides for an annual reassessment by the BID Board of the Plan's strategic issues, goals, and objectives; a process which is expected to be institutionalized beyond the five years of the Plan, to ensure that the BID remains strategically focused in its work. A review of the BID bylaws and internal organizational policies and procedures is included in the objectives and provides an opportunity for institutionalized change that can address these, and other internal issues identified in the analysis.

In accordance with the BID five-year renewal process requirements, this Plan will be distributed to business and property owners within the BID assessment district, with notice of the public hearing and a period for filing of objections. After the objection period the Final Plan can be adopted by Borough Council. Once adopted, it will become effective January 1, 2021.

III. Introduction to the BID

The West Chester Business Improvement District Authority is a Municipal Authority and serves as the NIDMA for the BID. The statutory authority for the BID is the Municipal Authorities Act of 1945, approved May 2, 1945, P.L. 382 and the Neighborhood Improvement District Act, approved December 20, 2000, P.L. 949, No. 130, also known as the NID Law, Act 130 of 2000. The Board of Directors of the BID Authority is the governing administrative body. Each board member is appointed for a five-year term by the West Chester Borough Council from a suggested slate provided by the current board. As per the Bylaws of the BID Authority, reasonable efforts are made to ensure that the board members adequately represent the diverse interests and organizations located in the Borough, including but not limited to: commercial property owners, retail business operators, restaurant operators, personal service providers, financial service providers, legal offices, Borough government, Chester County government, the Greater West Chester Chamber of Commerce, non-profit organizations, residents, and institutions of higher learning. The board consists of 15 members.

The BID Authority has a municipal services/cooperative agreement with the West Chester Borough that states that the BID Authority and West Chester Borough may cooperate in implementing certain projects, programs or services in the BID plan, that the Borough will maintain the same level of programs and services within the BID as before the BID designation, and the Borough will maintain at least one Council member on the Board. Basically, this means no activities generally performed by the municipal government shall be undertaken or transferred to the BID Authority. A copy of the agreement may be examined at the Borough Manager's office, 401 East Gay Street, West Chester, PA 19380 and the Business Improvement District office, 137 North High Street, West Chester, PA 19380. The agreement is also contained in Appendix B.

Currently, the BID is reauthorized every five years. Reauthorization is subject to a negative or remonstrance vote by persons representing ownership of 40 percent or greater of the properties within the proposed district. Any objections to the Plan or the reestablishment of the West Chester BID must be filed in writing by benefited property owners with the Borough Manager, c/o West Chester Borough, 401 East Gay Street, West Chester, PA 19380 within 45 days of the presentation of the Final Plan.

The assessment rate will be calculated as .00300 of total assessed value as determined by the Chester County Assessment Office (CCAO). This rate is maintained from the 2016-2020 assessment of .00300.

Properties with mixed commercial and residential uses have the payment discounted by the percentage of net leasable square footage used as apartments, also determined by the CCAO. If approved, billing will be annually through December 31, 2025. Voluntary payments/payments in lieu of an assessment (PILOA) fee or in-kind services from tax exempt organizations within the BID are requested annually.

IV. Mission Vision Values

Mission

Our mission is to enhance the economic vitality of downtown West Chester through an active public private partnership between Borough government and the business and property owners in the Business Improvement District. Economic vitality is achieved through preserving our historic assets, responding to the needs of our community including business owners, residents, and visitors, and marketing our unique qualities to the Delaware Valley region and beyond.

Vision

Our vision is a healthy, vibrant, diverse, and pedestrian oriented downtown, with a richly preserved history, supported by an engaged community that values and protects the things that make West Chester a special place.

Values

Collaboration – By joining together, we can achieve much more than by each of us acting alone.

Community – We understand that the fabric of our community –our relationships with one another- is the foundation upon which our success is built.

Heritage – History is what makes places unique; we recognize our architectural and cultural heritage as one of our most important assets.

Walkability – We value our pedestrian orientation and the human scale of our built environment.

Diversity – We respect and value differences and believe that soliciting a diversity of perspectives leads to better outcomes.

Accessibility – By ensuring that our community is physically, socially, and economically accessible, we will enable the diversity necessary for a healthy economy.

1. Map Indicating the Boundaries by Street of the BID for 2021-2025

This map demonstrates the exact boundaries of the BID. Properties with commercial and industrial uses within these boundaries are considered to be benefited properties and will share the costs of the program by paying an annual assessment fee. These are properties classified by Chester County Assessment Office Land Use Codes as "Commercial" (C-10 through C-96), "Industrial" (M-10 through M-30), "Vacant Commercial" (V-11), "Dwelling with Commercial Use" (R-60 and R-61) and "Apt. Complexes (20 or more units)" with a mix of commercial and apartment use (R-90). Properties excluded from assessment are tax-exempt, purely residential, or utility properties. These are properties classified by Chester County Assessment Office Land Use Codes as "Tax-Exempt" (E-10 through E-90), purely "Residential" (R-10 through R-95, except R-60, R-61 and R-90), "Vacant Residential" (V-10) and "Public Utility" (U-03, U-04).

Appendix B – Agreement between West Chester Borough and the West Chester Business Improvement District

AGREEMENT BETWEEN WEST CHESTER BOROUGH AND THE WEST CHESTER BUSINESS IMPROVEMENT DISTRICT AUTHORITY

THIS AGREEMENT is entered into this _____ day of _____, 2020, between WEST CHESTER BOROUGH (the "Borough"), and WEST CHESTER BUSINESS IMPROVEMENT DISTRICT AUTHORITY, ("WC BID Authority") pursuant to the Neighborhood Improvement District Act, 2000, Dec. 20, P.L. 949, No. 130, § 1, 73 P.S. § 831-840 (the "NID ACT").

WITNESSETH:

WHEREAS, the Borough is a municipal corporation organized pursuant to the Home Rule and Optional Plans Law, 53 Pa.C.S. § 2901 *et seq.*, and the WC BID Authority is a municipal authority created pursuant to the Municipality Authorities Act of 1945, Act of May 2, 1945, P.L. 382, as amended (the "Act"); and

WHEREAS, in Ordinance No. 15-2015, adopted by Borough Council of the Borough on November 17, 2015, the Borough established a Neighborhood Improvement District known as the "West Chester Business Improvement District" and designated the existing WC BID Authority to act as the neighborhood improvement district management association ("NIDMA") as defined by the NID Act; and

WHEREAS, as a condition to establishing a Neighborhood Improvement District, the NID Act requires that the Borough and the NIDMA enter into an agreement identifying the Borough's and the NIDMA's responsibilities and duties with respect to the NID; and

WHEREAS, the parties hereto are desirous of entering into the required Agreement in accordance with the NID Act.

NOW, THEREFORE, the parties hereto, intending to be legally bound hereby, covenant and agree as follows:

1. Designations. The Borough shall be designated as the creating municipality for the Neighborhood Improvement District with all the powers and responsibilities of such a municipal corporation with respect to the Neighborhood Improvement District as set forth and provided by the NID Act. The WC BID Authority shall be designated the NIDMA for the West Chester Business Improvement District with all the powers and responsibilities of a NIDMA as set forth and provided by the NID Act.

2. Cooperation. The Borough and the WC BID Authority may, from time to time, cooperate in implementing certain projects, programs and/or services pursuant to the final neighborhood improvement district plan as adopted pursuant to the Act and NID Act.
3. Specific Responsibilities of the Borough. The Borough will maintain the same level of municipal programs and services provided within the West Chester Business Improvement District before designation as a NID as after the West Chester Improvement District designation. The Borough will maintain at least one Borough council member on the WC BID Authority Board at any one time during the operation and existence of the West Chester Business Improvement District.
4. Specific Responsibilities of the WC BID Authority. The WC BID Authority will be responsible for governing the West Chester Business Improvement District, through its Board, and implementing the final plan of the West Chester Business Improvement District as duly adopted pursuant to the Act. The WC BID Authority will act in accordance with WC BID Authority's Amended and Restated Articles of Incorporation dated September 19, 2005, which were filed with the Pennsylvania Department of State on October 18, 2005. Additionally, the WC BID Authority will operate in accordance with the WC BID Authority Bylaws adopted on January 19, 1999, as may be amended from time to time.
5. Integration/Severance. This document, including all attachments and all other documents that have been incorporated by reference, contain all the terms, provisions, and conditions of the Agreement. All provisions hereof are intended by the parties to be whole and entire, and no provision, nor any part hereof, is intended to be severable.
6. Parties to Agreement and Governing Law. This Agreement shall extend to and bind the parties hereto, and their respective heirs, executors, administrators, successors, and assigns. The validity and effect of this agreement shall be determined by reference to the law of the Commonwealth of Pennsylvania.
7. Termination. This Agreement shall terminate on December 31, 2025 unless agreed to otherwise by the parties hereto.

IN WITNESS WHEREOF, the parties hereto have set their hand and seals the day and year first above written.
